Narukvice

Narukvice

Izrađujemo dečije, ženske i muške narukvice, kombinacijom mašinski ili ručno pletenih delova lanaca, raznih oblika i dimenzija od pune ili šuplje žice, sa štancovanim i livenim elementima, cevi, kaučukom i dr.

- Narukvice izrađujemo od legura zlata finoća: 585/1000, 750/1000 i legure srebra finoće 925/1000
- Narukvice standardno izrađujemo u žutoj, beloj i crvenoj boji, ali u dogovoru sa kupcem u mogućnosti smo da izradimo i druge boje legura.
- Narukvice izrađene od belog zlata su prevučene slojem plemenitog metala-rodijum.
- Narukvice izrađujemo u standardnim dužinama: 11,13,15,16,17,18,19,20,22 cm, ali i u drugim dužinama ukoliko je to tehnički izvodljivo.
- Kamenje ugrađeno u narukvice može biti: sintetičko, poludrago i drago, u raznim veličinama, oblicima i bojama.
- Narukvice u katalogu prikazane su u stvarnoj veličini.
- Narukvice sa kopčama mogu biti izrađene i sa drugim kopčama, u odnosu na one prikazane na slikama.
- Navedene težine su prosečne i odnose se na zlatni nakit finoće 585/1000.
- Svi modeli narukvica iz kataloga izrađuju se u svim legurama zlata kao i od srebra 925/1000.

A close-up photograph of a gold-colored metal chain. The chain features a series of interlocking oval links. On the right side, there is a matching gold-colored clasp with a small circular detail and a hook for fastening. The background is a plain, light gray surface.

A close-up photograph of a gold-colored metal clasp and chain link. The clasp is at the top, featuring a small circular detail. Below it, a chain link is visible, showing the interlocking design of the metal.

A close-up photograph of a gold-colored metal clasp and chain link. The clasp is at the top, featuring a small circular detail. Below it is a rectangular link, followed by a series of oval-shaped chain links. The metal has a polished, reflective surface.

A close-up photograph of a gold-colored metal chain. The chain features a series of interlocking oval links. On the left side, there is a clasp mechanism consisting of a small ring and a larger, heart-shaped or oval-shaped component. The metal has a polished, reflective finish.

A close-up, vertical view of a gold-colored curb chain. The chain features a series of interlocking oval links. At the bottom of the frame, a portion of a lobster clasp is visible, showing its curved, polished surface. The background is a plain, light gray.
